Sub: - **Flood situation in Assam Circle – Request for grant of flood relief and welfare assistance to the affected employees in Assam – req.**

Sir,

We wish to bring the following to your kind consideration.

You are well aware of the severe flood situation in Assam, which has badly affected our BSNL families as well as BSNL services and infrastructure. Due to heavy rainfall across parts of Assam and the neighbouring State of Nagaland, nearly two lakh people have been affected in the Upper Assam districts of Charaideo, Sivasagar and Jorhat alone. As per the reports received from BSNL administration, the flood has severely affected Sivasagar BA, parts of Jorhat, Charaideo and Golaghat. Although the civil administration is making every effort to normalise the situation, it will take some time. The BSNL administration is also taking effective steps to restore services and overcome the difficulties caused by the floods.

In this background, we earnestly request you to take appropriate measures to extend financial assistance to the BSNL employees who have been badly affected by the floods. We suggest that relief may be provided in the form of flood advance or welfare assistance to the affected employees, enabling them to meet the urgent needs of their families during this difficult period.

We, therefore, request you to kindly issue necessary instructions to the Assam Circle administration to facilitate the sanction of flood advance or welfare financial assistance to the affected employees at the earliest.

We sincerely hope for your favourable intervention in this matter.

Thanking you,

*Yours sincerely*
