BSNL EMPLOYEES UNION
ALL INDIA BSNL DOT PENSIONERS ASSOCIATION
BSNL CASUAL CONTRACT WORKERS FEDERATION

Dada Ghosh Bhawan, 2151/1, New Patel Nagar, New Delhi - 110008

No: COC/10/2026 **CIRCULAR** **04.11.2026**

Emergent online meeting of BSNL Coordination Committee held on 3rd November, 2026

An emergent online meeting of BSNL Coordination Committee was held on 3rd November, 2026 and it was presided over by Com. R. Muraleedharan Nair, General Secretary, AIBDPA. Com. Animesh Mitra, General Secretary, BSNLEU briefed on the agenda items. Coms. V. A. N. Namboodiri, K G Jayaraj and M R Das (AIBDPA) Coms. M. Vijayakumar, Ganesh Hinge (BSNLEU) and Coms. Tapas Ghosh and P Abhimanyu (BSNL CCWF) also participated. After threadbare discussions the following decisions were taken in the meeting.

The BSNL Coordination Committee of employees, pensioners and casual contract workers has extended full solidarity and active support to the three-day dharna programme organised by AUAB from 4th to 6th November and the All India BSNL Strike on 20th November, 2026 demanding implementation of the 3rd PRC.

The Committee emphasised that the implementation of the 3rd PRC to the employees is also crucial for pension revision. Similarly, the demand for wage revision of casual workers based on the 7th CPC pay scales is closely linked to the success of the struggle.

The Coordination Committee calls upon all employees, pensioners and casual contract workers to actively participate in the three-day dharna and the Strike to strengthen the united struggle for the legitimate demands of BSNL workers and pensioners.

The meeting decided to extend full solidarity and active support to the March to Parliament programme being organised by BSNL pensioners on 25th November 2026. The BSNL Coordination Committee will make all-out efforts to extend necessary assistance to AIBDPA for the successful organisation of the dharna programme at Eastern Court on the same day. All constituent organisations are requested to extend their cooperation and ensure active participation in the programme.

The meeting also decided to extend solidarity and support to the Mass March to Parliament by one lakh workers, being organised by CITU from 1st December to 3rd December 2026, demanding, among other things, the withdrawal of the four Labour Codes. In this connection, the BSNL Coordination Committee will make all-out efforts to mobilise workers, employees and pensioners from neighbouring Circles to participate in the programme at Delhi. All constituent unions and associations will coordinate their efforts to ensure maximum participation and demonstrate the solidarity of the BSNL workforce and pensioners with the broader working-class movement.

The meeting further discussed the need to organise an agitational programme focusing on several burning issues confronting BSNL employees, pensioners and contract workers, including the retrenchment of contract workers, the attack on medical allowance without voucher facility, non-payment of pending DA to casual labourers, the proposed introduction of Labour Codes in BSNL and other pressing issues affecting the workforce. After detailed discussion, it was decided that the date and course of action for the agitational programme would be finalised in the next meeting of the Coordination Committee. The meeting also decided that, henceforth, the Coordination Committee meeting would be held every month, with the mutual understanding and cooperation of all the three constituent unions, to ensure regular coordination, review of organisational activities and united action on issues concerning BSNL employees, pensioners and workers.

With warm greetings,

R. Muraleedharan Nair
Chairman, BSNL CoC

Animesh Mitra
Convenor, BSNL CoC
