Make the 20th November Strike a resounding success!
Intensify the Campaign – Ensure Maximum Participation in the strike.

The All India Centre meeting of our Union is held on 05.11.2026. The meeting reviewed the strike preparations, as well as the discussions held with the Secretary, DoT and the Dy.CLC(C). It has also been informed that a meeting will be held between the Hon'ble Minister of Communications and the AUAB on 11-11-2026.

There are only two more weeks left for the strike. Considering the overall situation, the All India Centre decided to call on the circle unions, CHQ office bearers and the district unions to take the following steps for intensifying the preparations for the strike.

1) Our leaders and frontline comrades should meet each and every employee in their work places and fully convince them to participate in the strike.

2) Together with this, emergent circle and district executive committee meetings should be conducted, to fully gear up our comrades for making the strike a total success.

3) The All India Centre has decided that, our circle and district unions should maintain close co-ordination with the other constituents of the AUAB, for making the strike successful.

4) CHQ posters should be translated into local languages and prominently and displayed at all workplaces for mobilising the employees to effectively participate in the strike.

5) The All India Centre meeting has also decided to hold an online meeting of the circle secretaries and CHQ office bearers at 3:00 pm on 10-11-2026 for gearing up the preparations for the strike on 20th November and to make it a big success. This online meeting will review the CEC's decision to participate in the strike on the 3rd PRC issue and assess the preparations being made for the strike programme.

The success of the 20th November strike depends on effective preparations of BSNLEU at every organisational level. Let us unite, mobilise every employee and work with full commitment to make the strike a grand success.
There should not be any kind of relaxation in strike preparations or unnecessary waiting to ascertain who will participate and who will not. Instead, every employee must be motivated and brought into the strike programme. With only a short time remaining, our efforts must focus on compelling the Government to take a Cabinet decision on the 3rd PRC for BSNL, including relaxation of the Affordability Clause.

Unity, determination and effective preparation are the keys to making the 20th November strike a grand success!
Thanking you,
Yours comradely

[Animesh Chandra Mitra]
General Secretary
