Dear Comrades,

You are aware that BSNL Casual Contract Workers Federation is already in the struggle path for the viability of BSNL and for the interest of the contract casual workers. In the meantime, we have noticed that the AUAB has given a call in the month of July (15th placard showing programme & 28th Hunger Strike) for two days agitational programmes on 10 point charter of demands. BSNLCCWF whole heartedly supports those demands. You have also opposed the disinvestment policy of the Central Govt. We appreciate that you have opposed the outsourcing policy of the BSNL Management in your charter of demands. Since the casual and contract labourers are in great danger out of this policy. In this context, I like to mention that the wages of the contract labourers are due for months together and we are in sustained struggle to get the issue resolved. We have decided in our meeting of the All India Centre of BSNLCCWF that the casual and contractual labourers will extend their full support to those two agitational programmes at the call of AUAB throughout the country.

We wish a great success of the AUAB programmes to save the BSNL.

With warm greetings,

Comradely yours,

**(Animesh Mitra)
Secretary General.**
