JTO (Civil) Recruitment Rules-2023

Note:

1. JTO will be Circle Cadre and the unit of recruitment will be the respective Recruiting Circle. CGM of the respective recruiting Circle shall be the Appointing Authority. The proceedings of the Corporate Promotion Committee (CPC) as prescribed in Column 12 of the schedule will be approved by respective CGM.
2. The Direct Recruitment to the post of JTO will be done through open competitive examination or through Graduate Aptitude Test in Engineering (GATE) Score in the disciplines mentioned under column '7' of Schedule of Recruitment Rules of JTO(C) or through any other method as approved by the Management Committee of BSNL Board from time to time. Scheme and Syllabus of Direct Recruitment as well as LICE shall be issued separately.
3. The candidates possessing higher qualifications viz. M.Tech in the prescribed disciplines as provided in column '7' of the schedule for direct recruitment (DR) shall also be eligible to appear in the direct recruitment (DR) examination.
4. The seniority on appointment of candidates through DR/LICE in the cadre of JTO(C) shall be determined on the basis of **60%** weightage of marks obtained in their respective examination i.e. direct recruitment Examination or LICE and **40%** weightage of marks obtained in pre-appointment Phase-I training. If the combined marks of DR/LICE and Training are same for two candidates, then seniority among them will be decided on the basis of marks obtained in DR/LICE. Further, in case of equal marks obtained by two or more candidates in DR/LICE, the seniority among them shall be determined on the basis of date of birth i.e. older one will be senior to younger one.

5. The inter-se seniority of an Executive appointed shall be determined as under:

- (i) *Inter-se-seniority* between Limited Internal Competitive Examination (LICE) quota and Direct Recruit (DR) quota who are promoted/recruited against the vacancies of the respective quota, would be reckoned with reference to the calendar year in which they join, i.e. year in which they are borne in the cadre, irrespective of the vacancy year or the type of vacancy. However, if senior in the selection panel (review panel) after issue of promotion orders could not join in the same calendar year due to administrative reasons but his immediate junior has joined then senior will also be considered to have joined in the same calendar year only for the purpose of seniority.
- (ii) Promotees (LICE) or DR Quota appointees who join in a particular calendar year will be placed en-bloc senior to promotees (LICE) or DR Quota appointees who join in subsequent calendar year/years.
- (iii) The rotation of quota based on the percentage of vacancies allocated to LICE (50%) and DR (50%) in the Recruitment Rules will apply for determination of number of vacancies to be filled by the respective quotas in a vacancy year (calendar year).
- (iv) The inter-se-seniority of the persons promoted against LICE and those who are recruited through DR quota (50%) against the same vacancy year and

actually join in the same calendar year shall be fixed in a ratio of 1:1 and the appointees shall be given seniority of that calendar year:

Illustration:

1. JTO (LICE)
2. JTO (DR)
3. JTO (LICE)
4. JTO(DR)
-and so on

They shall not get seniority of any earlier year viz. year of vacancy/panel, or year in which promotion process, etc. is initiated. In case of LICE/DR, date of notification/date of examination/date of declaration of results etc. will have no relevance for the purpose of seniority.

- (v) The inter-se-seniority of the persons promoted against LICE quota (50%) and those who are recruited through DR quota (50%) against the same vacancy year and actually join in the next year or any year subsequent to the vacancy year, the seniority of such persons would be determined with reference to the year of their actual joining to the post (actual joining date means the date on which the person joins in the cadre after completion of first phase (pre-induction) of training prescribed for JTO cadre). Thus, they would get seniority of the year in which they actually join and they shall not get seniority of any earlier year viz. year of vacancy/panel or year in which promotion process etc. is initiated. In case of LICE/DR, date of notification/date of examination/date of declaration of results etc. will have no relevance for the purpose of seniority.
- (vi) If in one calendar year, the LICE promotions and DR Recruitment are being carried out for more than one vacancy years, the inter-se seniority for executives joining in same calendar year will be determined as follows:
- a) For executives promoted in LICE quota (50%) belonging to different vacancy years (joining in the same calendar year), their seniority within the LICE quota will be as per the vacancy year/select panel wise.
 - b) For executives joining in the same calendar year, the inter-se-seniority between LICE quota and DR quota will be on the basis of vacancy year. Those who have joined as a result of earlier selection would be placed senior in the seniority list to those who have joined as a result of subsequent selection of vacancies.
- (vii) If adequate number of LICE promotees or DR Quota appointees do not become available (i.e. actual number of appointees) in a particular year, the rotation of quotas for the purpose of determining inter-se-seniority would stop after available (i.e. actual number of appointees) LICE promotees and DR quota appointees are assigned their slots on their joining in that calendar year. Remaining LICE or DR quota of the concerned selection/panel (same year of joining) would be bunched together in accordance with their position in the panel approved for promotion.
- (viii) If no LICE quota promotee is available (actual number of appointees) in a particular calendar year, actual number of DR quota appointees would be bunched together in accordance with their position approved for promotion. Similarly, if no DR quota appointee is available in a calendar year, actual number of LICE quota promotees would be bunched together as per their position obtained in the selection process.

6. BSNL will resort to direct recruitment of JTO from open market strictly on need basis. BSNL may or may not necessarily go for direct recruitment of JTO every year due to administrative reasons/constraints. As such, directly recruited Executives in subsequent years will not have any claims for allotment of vacancy year against the vacancy years in which BSNL does not resort to direct recruitment of JTO.
7. For any LICE to be conducted for promotion in JTO (C) grade, in case of availability of eligible candidates in feeder grade (required residency period) is less than 5 times of vacancies for a particular examination, then the Management Committee of BSNL Board is empowered to consider for relaxation in the residency period in the feeder cadre so as to ensure proper competition in the LICE quota.
8. Non-Executives (Industrial and Non-Industrial) of Telecom Factories on their selection as JTO(C) after qualifying LICE shall have to give an undertaking to the effect that they will henceforth be governed by prevailing Conduct, Discipline & Appeal(CDA) Rules of BSNL and not by Certified Standing Order (CSO) as in vogue in Telecom Factories. Violation of the same shall tantamount to cancellation of their candidature as JTO (Civil).
