GUIDELINES FOR SETTLEMENT OF CLAIMS FOR COMPENSATION ON ACCIDENTS APPLICABLE TO THE DEPARTMENT OF TELECOMMUNICATIONS AND PUBLIC SECTOR UNDERTAKINGS UNDER ITS CONTROL

PREAMBLE

Accidents are unfortunate incidents, occurrences of which cannot be obliterated completely, but can only be minimized by adopting most vigilant practices, safety precautions, etc. Sometimes accidents do happen when responsibility and liability cannot be affixed on certain individuals or malfunctioning of certain machinery and the Law recognizes the Principle of 'No faulty Liability' for such unfortunate incidents. In such cases, the loss of life and loss of dependency cost of the dependents of such victims cannot be written off merely on the pretext that negligence on the part of Department or its agencies cannot be substantiated for want of stricter proofs. Also being in the public domain and mandated by the Constitution to work for the larger interest of the society, it is expected from the Department/Entities to pay a just compensation for any loss of life or a good life to the victims or dependents of such victims in addition to the existing provisions under various welfare legislations. The Department being model employer is required to undertake certain duties.

The need of payment of such compensation by the Department to the sufferer of such accidents is recognized and stressed upon by the Hon'ble Courts in various judgments and more recently in FAO 154/2013 and & CM No 5185/2013, wherein Hon'ble High Court of Delhi has directed to frame standard policy of payment of compensation to the family of the victims who die or become permanently disabled while carrying out hazardous jobs at the sites or work places of Department. The Hon'ble Court recognizing the principle of Strict Liability has issued directions to frame the guidelines in consonance of the concept of Welfare State enshrined in the Constitution of India.

Keeping in view the above scenario and directions of Hon'ble High Court of Delhi in FAO 154/2013 & CM No 5185/2013 in the matter of WRITER

SAFEGAURD LTD Versus COMMISSIONER UNDER EMPLOYEES COMPENSATION ACT AND ORS, the draft Guidelines for payment of Compensation to the family of the victims who die or become permanently disabled while carrying out hazardous jobs in the Department is prepared and attached herewith which may be placed before the Hon'ble High Court. The main object and aim of these guidelines is to provide a comprehensive mechanism for calculation, application and settlement of claims for compensation in such matters in timely and equitable manner.

The amount of compensation recommended is based on the principle of just compensation as enunciated in various judgments of Hon'ble Supreme court and relied upon in the aforementioned directions of the Hon'ble Court and keeping in line with the existing norms in paying compensation by Department in cases of accidents in Road, Railways, Air transport and also in case of deaths occurring in natural calamities. Example may be seen in Railways wherein compensation is between Rs. 32,000/- to Rs. 4,00,000/-, while in Road Accidents it is upto Rs. 2,00,000/- and in accidents related to Airways maximum compensation is limited upto Rs. 10,00,000/-.

While formulating these Guidelines, it has also been considered that Department have strict responsibilities towards well being of its employees and they have only that organization to depend upon in the event of the occurrence of any accident. In case of contractor employees, Department has implied and indirect responsibility towards their well being. Whereas in the case of a person who is neither Department's employee nor a Contractor's employee, there is no direct or strict responsibility with respect to paying any compensation in case of death or injury due to accident, however, keeping in view of the larger perspective of public welfare, Department must pay some compensation in their cases also. They would also be eligible for compensation from their respective employers in addition to the compensation under these Guidelines. The Department shall also endeavor to make arrangement for first aid facility in the premises and the injured must be provided with the medical aid, at the earliest.
