Sir,

Sub: - **Payment of emergency medical advance for the treatment of the COVID-19 affected employees - req.**

We wish to bring the following to your kind notice for favour of your kind consideration and necessary action.

The second wave of COVID-19 is spreading at an alarming rate throughout the country. As of now, more than 3.60 lakh new Covid cases are being reported in the country every day. Naturally, BSNL employees, especially those who are working at the field level, in the Customer Service Centres, etc., are also getting affected by COVID-19. Apart from this, the family members of BSNL employees are also falling ill.

It is a known fact that, all the government hospitals are presently overflowing with Covid patients and our affected employees are unable to get admission in them. As such, our employees have to rely upon the private hospitals for saving their lives. However, private hospitals are demanding hefty amount as advance for the treatment. Under these circumstances our employees who are affected by COVID-19 are facing extreme difficulties.

It is needless to state that, at this juncture, saving the lives of our employees and their family members are of paramount importance. Hence, it is the duty of the BSNL Management to ensure treatment for the COVID-19 affected BSNL employees, by providing emergency medical advance. We earnestly implore upon you to kindly take necessary steps for sanctioning the requisite amount as medical advance, to our employees who are affected with COVID-19.

Emergent action on the part of the BSNL Management will help to save the precious lives of our employees. We urge upon you to kindly treat this letter as an SoS and to take emergent steps on the matter.

Thanking you,

Yours sincerely,

[P. Abhimanyu]
General Secretary
