New Delhi – 110 001

Sub: - Revision of DA for the casual labourers who are drawing wages on 6th CPC pay scale - req.

Sir,

Perhaps you are aware that the Minister of Finance, Department of Expenditure, has issued the order for revision of DA on 06th November, 2023 for early implementation in different Department. According to this order, the rate of DA has already been enhanced from 221% to 230% w.e.f. 01.07.2023. It is very much unfortunate that the order for revision of DA for the casual labourers working in BSNL is yet to be issued by the Corporate Office. It is fact that the casual labourers working in BSNL are still availing the pay structure of 6th CPC of the Central Government and they are entitled to get the benefit of revision of DA as per the Central Government order. In this connection, we would like to enclose the last DA revision order issued by the Corporate Office.

Hope, you will take proper action for endorsing of the above mentioned order at the field level so that the casual labourers can get the benefit of revised DA in their salary from this month.

Thanking you,

Yours sincerely,

(Animesh Mitra)
Secretary General
