QUALITY STATEMENT PAGE

We at Prathamesh Technical Services, strive to delight our customers with supreme quality products and service. Hence, we are constantly engaged in understanding and meeting the needs of our customers. Our fasteners are of highly competitive export quality and itself provides evidence for our reliable quality of manufacturing. As a company dedicated to quality, we focus on the following principles:

- We want to achieve customer delight and not mere customer satisfaction
- We want to be extra cautious and sensitive in our inspection activities to avoid even the slightest of defects to pass through
- We shall maintain our manufacturing, inspection and delivery standards to provide best quality to our customers
- We shall invest in new technology and train our staff to be agile for the same to stay relevant and become future ready.
- It is the responsibility of all, the management, staff and operators to maintain quality and performance best for the same.
- Performance development is measured in terms of defects, corrective actions and deviation from standards which further contribute to our efforts towards quality management. We adhere to these principles with great spirit and will continue to improve ourselves in every regard necessary to keep delighting our customers for years to come

INDUSTRIAL NUTS

We are engaged in offering a wide range of Industrial Nuts, which includes hexagon nuts, hexagon coupling nuts, hexagon thin nuts, square nuts, hexagon castle nuts, self locking nuts, hexagon domed cap nuts and etc.

Dome Nut

Aerotight Lock Nut SS

Km Lock Nut

Castle Slotted Nuts

INDUSTRIAL STUDS

Providing you the best range of Industrial Studs such as Axle Stud, Plugs Stud, Pull Studs, Double End Studs, Pins & Studs, ARC Weld Studs and many more items with effective & timely delivery.

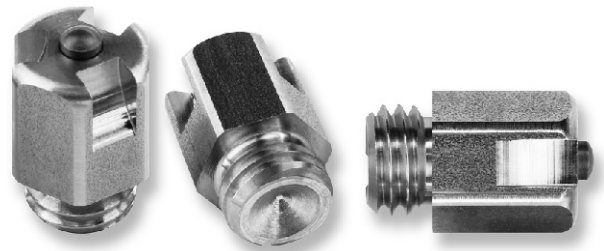

Full Threaded Stud

Double Ended Stud

Pull Stud

Gras Stud

INDUSTRIAL BOLTS

The extensive range of Industrial Bolts offered by us is available in different sizes so that it fit in various applications. These bolts are widely appreciated for their durability, sturdy construction, corrosion resistant features, and application specific design.

Titanium Hex Head Bolt

Carriage Bolt

Eye Bolt

Shoulder Bolt

INDUSTRIAL PLUGS

Under the able guidance of our skilled experts, we offer a superior quality of Industrial Plugs. We manufacture these plugs by use of a finest quality of raw materials, which are in compliance with international quality standards.

**Stainless Steel Screw
Coupling Plug**

Pipe Plug

Magnetic Sump Plug

Square Head Plug

INDUSTRIAL INSERTS

Pioneers in the industry, we offer Industrial Inserts such as Round inserts, Hex Inserts, Square Inserts, Knurling Insert, Mold Inserts and Nylon Nuts from India.

Round Inserts

Three Hole Threaded Inserts

Brass Inserts

Tube Inserts

INDUSTRIAL FERRULE & VALVE FITTINGS

Leading Manufacturer and Supplier from Mumbai, our product range includes Industrial Ferrule & Valve Fittings such as Ferrule Fittings, Fittings Parts And Hydraulic Valve Fittings.

Ferrule Tube

Tee Ferrule Fitting

Valve Tube Fitting

Needle Valve

CNC & VMC PRECISION COMPONENTS

We have the ability to manufacture and deliver VMC/CNC machined component as per customer's design. Components can be made from MS, SS, Aluminium, Copper, etc

CNC Turning Components

Custom Precision CNC Components

Custom Precision VMC Components
