LETTER OF CONFIRMATION

It gives me immense pleasure to inform you that you have been selected as "Registered Space Tutor of ISRO" in response to the proposal submitted by you against the *Announcement of Opportunity published in ISRO's website.*

The engagement is purely for promoting space education and awareness to the student community and not for any commercial use.

You are advised to follow strictly the enclosed guidelines, failing which the registration may be liable for cancellation.

I wish a very best in all your future activities to make this programme a grand success.

Regards,

(G Harikrishnan)

Brain Neuron Test

Free
Workshop

SCIENTIFIC CAREER

COUNSELLING

for Students & Professionals

Get Right Career Guidance from our Experts'
As per National Education Policy 2020

Who am I ?

BRAIN NEURON TEST WILL HELP YOU FIND ANSWERS

- Which subject will my child find difficult?
- How do I reward my child best life?
- How do I help my child concentrate?
- How should my child study?
- What will be the best hobby of my child?
- How do I best communicate with my child?

Benefits of This Test:

For Children:

- Boost confidence & reduce stress by understanding strengths and weaknesses.
- Enhance outcomes with right career choices using preferred learning styles.

For Parents:

- Early Identify potential learning difficulties to address them proactively.
- Enhanced Parent-Child Relationships by understanding your child's personality.

For Educators:

- Create personalized plans & use effective teaching methods.
- Identify gifted students early to provide suitable support and challenges.
