ABOUT US

At Saiwa Plus, we are driven by a commitment to innovation, durability, and precision in two-wheeler automotive parts. With years of hands-on experience in the manufacturing of high-quality components, we have earned the trust of distributors, retailers, and mechanics across India.

Our comprehensive product range includes indicators, side mirrors, headlights, brake shoes, filters and other essential spares-crafted to ensure performance, safety, and longevity. Every part is rigorously tested to meet the evolving needs of the Indian roads and riders.

Rooted in strong family values and empowered by a young, dynamic team, Saiwa Plus blends traditional business ethics with modern manufacturing practices. As we continue to grow, our focus remains clear: deliver value, maintain quality, and foster long-term relationships with our channel partners.
