🌟 About Me

I am Dr. Pankaj Verma, a professional with a strong background in **Project Management, Corporate Training, Career Counselling, and Holistic Wellness Coaching**. With **17 years of industrial management experience** and the past **8 years dedicated to training & development**, I have worked extensively with corporates, educational institutions, and community organizations to create meaningful transformation.

My mission is to **create a powerful and positive impact** by combining industrial expertise, corporate insights, and holistic development approaches to build future-ready professionals and leaders.

📁 Professional Services

- ✓ **Corporate Training:** Designed & delivered customized programs for reputed organizations such as **L&T, ADANI, Jindal, Ambuja Cement, Metro Projects**, focusing on leadership, productivity, team building, and soft skills.
- ✓ **Executive Career Counselling:** Guided more than **5000 students & professionals** through structured counselling sessions aligned with **NEP 2020**.
- ✓ **Preventive Health & Wellness Training:** Conducted sessions on mindfulness, holistic wellness, stress management, and work-life balance.
- ✓ **Space Science Awareness:** As a **Certified Space Tutor (ISRO)**, I conduct **Mobile Planetarium Shows** across 100+ schools to spread awareness of space education among youth.
- ✓ **Spiritual Training:** Certified Reiki Healer, PLR, and NLP Practitioner delivering programs for mindset mastery, energy healing, and deep meditation practices.
